HEROIC JOURNEY

AN OUTWARD BOUND ADVENTURE FOR GRIEVING TEENS

Whether it's climbing majestic mountains, rappelling down granite cliffs, or navigating through streams and forests, Outward Bound Heroic Journey provides grieving teens the opportunity to discover their inner strength to face the challenges ahead. Heroic Journey combines the rigorous challenge of an Outward Bound experience with activities designed to encourage expression in an environment that respects the grief process.

OUTWARD BOUND COURSES ARE NOT GUIDED TRIPS

They are real expeditions that cross rugged, beautiful terrain. They require participants to dig deep and discover hidden strength. After course, students report high levels of confidence, self-esteem and teamwork skills; three times the number of students pre-course. The accomplishment is real and the feeling of success is yours to keep.
